A number, not exceeding eight, of students, who have completed the full two years' course of the Mainamati school of land surveying or of any other school approved by the Mining Education Advisory Board for the purpose, may be admitted to a short course of training in mine surveying to qualify them to appear at the examination of competency as mine surveyors conducted by the Board of Examiners under the Indian Mines Act, 1923.

II. Those students, who must be able to speak English, must be specially recommended by the head of the survey schools at which they received their training for nomination and in case of Bengal schools also by the Director of Industries, and in the case of Bihar and Orissa schools by the Principal of the Bihar College of Engineering.

III. Nomination should be posted so as to arrive at the office of the Secretary of the Mining Education Advisory Board before the 30th August each year to enable him to arrange with the Mining Instructors in each coal-field for the posting of the students for their training, which will commence each year about 1st October and last for not less than six months.

IV. The scheme of training under the Mining Education Advisory Board shall consist of two parts, viz. :—

V. The Mining Education Advisory Board will endeavour to post students at collieries convenient to the lecture centres, but can give no guarantee on this point. Students must make their own arrangements for board and lodging.

VI. Students will submit to the Mining Lecturer once a month a record of their work at the colliery to which they have been posted, and marks will be allotted for the same. Marks so obtained will be included in the marks awarded to students for attendance at the course of lectures on mine surveying.

VII. A fee of Rs. 5 will be payable by each student.

VIII. Two scholarships of Rs. 20 each per mensem will be awarded to the students in Bengal during the period of training.

IX. A special examination in mine surveying will be held for such students at the end of the course and certificates will be awarded on the results of the examinations. A fee of Rs. 15 will be charged for appearing at this examination which fee will be paid by the Board to the examiners.
